Secretary Dan Glickman  
U.S. Department of Agriculture  
1400 Independence Avenue SW  
Washington, DC 20250

11-36 31 117 30 P200

Dear Secretary Glickman,

While I support a review of the approval process for biotech products **in light** of long term environmental and health safety issues, I encourage you to support mandatory, rather than voluntary, industry labeling of foods containing genetically engineered ingredients. Consumers have a right to know what is in our food, and companies should be **required** to **inform** us of all ingredients, transgenic or not.

Kay D. Gordon
